Colorful, easy to wear clothing & accessories for all the family at *periwinkles*

Periwinkles specializes in Fresh Produce®, ME and Life is good® brands, with clothing & accessories for women, men & children as well as children's swimwear

Looking for something bright, casual and easy to wear that is good quality but doesn't cost the earth? Well Periwinkles in Marco Town Center Mall is a great place to start, and most likely finish, your search.

The store is a riot of color. With beautifully lit, bright and cheery decor this clean-cut store provides the perfect backdrop for the popular brand named merchandise Fresh Produce®, ME and Life is good®.

Periwinkles have the island exclusive for the ever popular resortwear Fresh Produce® and they really do have a great selection of colorful, easy to wear ladies' dresses, tops, capris, skirts and accessories as well as "mommy and me" matching outfits, children's clothing and their gorgeous, recently introduced, children's swimwear line.

Another new item is the brand "ME", a slightly more up-market line by Fresh Produce® owner and chief designer Mary Ellen Vernon.

And then there's the huge selection of Life is good® sweats, T's, hats and accessories for men, women and children. My husband won't venture outdoors without his Life is good® baseball cap (complete with little stick man fishing, of course)

Simple & colorful, Life is good® hats, T's and Sweatshirts, with their humorous designs, are great for all the family and perfect for the Florida lifestyle

Good quality, reasonably priced, Fresh Produce® clothing & accessories bring the fun of the beach to everyday life on Marco Island

and the kid's T's, with their simple, funny designs are absolutely irresistible (and an easy purchase for a grandmother as they are very easy to size).

These three brands compliment each other beautifully and offer a complete range of clothing and accessories for all the family which washes well, mixes and matches perfectly and won't break the bank.

Husband and wife team, Dave and Melissa Thomas, opened the first Periwinkles in 1995 in the Shops of Marco Shopping Center. They soon outgrew that location and opened another store in Marco Town Center, but running two separate stores wasn't easy so, when the unit next door to the Town Center store became available they snapped it up, closed the Shops of Marco store and the Periwinkles we now know and love was born.

With its relaxed, casual atmosphere, and island style merchandise it's the perfect place to find clothing and accessories that fit the Marco Island Lifestyle. And it's all available online as well at www.periwinklesonmarcoisland.com.

Periwinkles is located in Marco Town Center Mall and they can be reached at (239) 642-2334.
